

Tutorial for Electorals

Upon accessing the website homepage, click on the vote icon at the topmost bar, as shown in the picture above.

The image shows the 'MANDATORY REGISTRATION CHECK' page. At the top is the same green navigation bar as in the previous screenshot. Below the navigation bar, the text 'Before you vote...' is centered. Below that is the title 'MANDATORY REGISTRATION CHECK' in bold. Under the title is the instruction 'Please enter your information in order to verify that you've registered to vote'. Below this instruction are two input fields: 'CNIE' and 'Password'. A red arrow points to the 'CNIE' field from the left, and another red arrow points to the 'Password' field from the right. Below these fields is a green button labeled 'LOGIN'.

First things first, you will have to confirm your eligibility to vote, thus you are required to fill in the fields as shown in the picture. Provide your CNIE and Password (under the form of yyyymmdd), then click on login.
